### **Schedule updates**

Hello 686 summer players (and 1410 members). We hope you are enjoying outdoor play despite the very unstable weather we have had. As we are getting into July, we have made some changes to our schedule to better meet your needs and fill the courts. Enclosed you will find a PDF with the schedule, which also can be found on our [Web site](#) and below.

All open play remains the same with a few new additions. The new times are highlighted below. Based on host and player feedback we make changes to the schedule and apologize for any confusion this may cause.

We have added mentored play at South Glenmore Park for players who have recently started or completed the intro class.

If you have achieved a new level, pls email [membership@calgarypickleballclub.ca](mailto:membership@calgarypickleballclub.ca) with a screen shot of your DUPR, Club Rating or CTPR rating and we will add you to the group on SUG.

### **SUG**

Some players have issues with SUG and not being able to see the sign ups. Our recommendation is to sign in and out of your account on a computer (not a phone). This method seems to have solved many issues. Check that your SUG email is the same as your membership email.

As always, we are so grateful for all the volunteers that help and host on the courts, a great big thank you!

### **New Board Member**

We would like to welcome Nageeb Damani who has joined our board. Nageeb started playing pickleball last year and has quickly moved up in skill level. In addition to his quick feet, Nageeb has been hosting at Brentwood 3.7 on Saturdays. Nageeb is a skilled software developer and we look forward to his expertise on our board. Look for Nageeb at our Fall tournament on September 7 at Oakridge!

Enjoy the summer, it is so short! See you on the courts!
